CAMPBELL COUNTY CHRISTIAN LEARNING CENTER

HAPPY FALL

Meet our new Teacher/Program Director, Amanda Terry!

Amanda joined our team as Teacher/Program Director in August 2022! Amanda is a local Campbell Countian. She is a graduate of Lincoln Memorial University where she received her Bachelor's degree in Elementary Education (K-6). She received her Master's degree from Western Governors University in Special Education (K-12), and she holds a Tennessee teaching license. She has taught students in both the elementary and high school settings. She enjoys getting to teach students and encourage them each day. "Being at CLC has offered me the perfect blend. I get to teach students and talk about Jesus. My favorite person to talk about! It is a blessing to be a part of the CLC." Amanda is involved in her church where she serves as a Sunday school teacher and a youth leader.

We are thrilled to welcome Amanda to CLC and thankful for the gifts she brings to this organization.

ENROLLMENT GROWS TO 61 STUDENTS THIS FALL!!

This August, is the fourth anniversary of Released Time Bible Education becoming available to Campbell County High School students at the Christian Learning Center! CLC is thrilled to be growing as we continue this mission of teaching God's Word to students during their school day for academic credit. For the Fall 2022 semester, we are offering three class periods of our Gospel Foundations Old Testament course with a total of 61 students. This is the largest semester enrollment we have ever had at CLC!

As we began the semester in Genesis, some students have discovered basic skills such as how to search for a chapter and verse in the Bible. Growth is taking place in leaps and bounds for these students who came with limited to no Bible experience. The ones who have come in with prior knowledge are establishing a stronger context for the stories they have grown up with and seeking application of this knowledge. This semester's students are particularly hungry to dig deeper and ask big questions of God's Word, and our staff is excited to teach from an academic as well as spiritual standpoint.
