

CAMPBELL COUNTY CHRISTIAN LEARNING CENTER

Happy New Year! We are excited to share with you all that is going on at the Christian Learning Center and how you can continue to partner with us through your prayers, financial contributions, and community involvement. God is using many people like you to impact the lives of students in Campbell County! This semester, we are offering a new course which is focused in the New Testament books of Acts, Romans, and Ephesians. On a daily basis, our students are diving deep into the history of the Early Church and the teachings of Paul. Thank you for being part of making this possible for Campbell County High School students!

Christmas Party

In December 2019, the CLC hosted a Christmas party for our students, board members, family, and friends! Everyone in attendance enjoyed a brunch buffet, group games, and fellowship. This annual Christmas tradition is a great way for the students and leadership of the CLC to get to know each other and celebrate the end of the fall semester! A few of last semester's students have joined us again for our new course this spring!

THE GALA AGAPE

On Friday, February 7th at The Stables, CLC sponsors and community members gathered for an elegant evening of celebration at The Gala Agape annual event. A formal dinner was followed by performances from CCHS's B1 Group, and a keynote address was given by Tim Rogers, executive director of Elgin Children's Foundation.
