

Here We Grow Again!

This spring has been full of new growth at the CLC. We increased our daily schedule to three class periods and hired a ministry assistant!

Jake Lane is a native Campbell Countian and a student at Roane State Community College pursuing a degree in Elementary Education. This March, he joined the CLC as our ministry assistant to support students in the classroom and assist with events and office duties. Executive Director Ashley Claiborne and Teacher/Program Director Stephanie Lloyd are excited and grateful to have Jake on the team. He has a Christlike attitude to serve others and encourage students every day.

As the CLC continues to grow, we are in search of an additional classroom teacher to instruct our Biblical Worldview advanced course. Per state requirements for Released Time credit, CLC teachers must hold an active Tennessee teaching license for secondary grades. If you are aware of a great candidate for this position, we'd love to hear from you! (See contact info below.)

In addition to our daily ministry of offering Bible classes to CCHS students, we aim to reach out and demonstrate Christ's love to Campbell County in practical and creative ways. In April, CLC volunteers and donors provided free services and accessories for seven young ladies attending prom! Volunteers spent the day doing hair, makeup, and nails for these girls and encouraging them on their special day. Other spring outreach opportunities for our staff included visits to local small groups and the Chamber of Commerce Vendor Fair to promote the mission of CLC to new students and community members.

To celebrate the end of the school year, CLC hosted a cookout after school on Friday, May 14th. CCHS students and teachers enjoyed an afternoon full of great food, yard games, sidewalk chalk, and many fun memories with friends! Check out our photos from this event. Thank you to each person who served or donated to help make our Year-End Cookout a success!

In Loving Memory of Ethan Cox

Our staff and board of directors are grieved by the recent loss of Ethan Cox who passed away in an automobile accident this April. Ethan was a beloved member of this community and among CLC's first class of students in the fall of 2018. We recognize and appreciate all who have generously given to the Christian Learning Center in memory of Ethan. Please continue to lift up the Cox family in your prayers.

The following tribute was written by Lynn Ray, former CLC Teacher & Board Member.

"I have known Ethan Cox all of his life. It was an honor to be his first pastor and eventually one of his high school teachers at the CLC. I am very good friends with his parents, so I got to be around the family and watch Ethan grow over the years.

As a student, he was always asking challenging questions and participated in classroom discussions. When the CLC was invited to give a presentation to the Campbell County Board of Education, Ethan gladly volunteered to speak and gave a very soulful presentation to the board and the audience that evening.

I grieve and my heart is broken over his passing. I find consolation in the fact that Ethan was a believer, and I will see him again one day. The stories of Ethan's concern for friends, acquaintances, and strangers and their need for salvation has challenged me. I have committed to deepen my concern for the souls of others as well."

Help us reach more Campbell County students with the Gospel of Jesus.
