

HOPE FOR THE FUTURE

In light of the COVID-19 pandemic, the Campbell County school year came to an early close in mid-March. We miss our CLC students greatly and are sad that our spring class did not get to complete the semester together as we had hoped. In congruence with the school district's distance learning policies, we provided optional online or print resources to students for them to continue their studies where we left off.

Our course for this spring, Firm Foundations: Paul and the Early Church, covered the basics of the gospel message, the missionary journeys detailed in the book of Acts, and some of Paul's theology as explained in the books of Romans and Ephesians. Our class discussions centered around how and why the good news of Jesus was impactful as it first spread across the globe and how that is still happening today. We believe that the gospel is for each of our students who choose to come to Christ and that they can, in turn, share it with the world around them, just as the early church did.

Now that the spring semester has ended, we are looking towards the 2020-2021 school year, which we prayerfully hope will be somewhat "normal." Our greatest hope is that we can continue to effectively reach students with the message of the Bible—that they are loved by God and called to live according to His good plans. Will you pray with us as we prepare for new students and new opportunities to minister and teach? **We are filled with hope, not because we know the future but because we know the one who holds the future. He is with us, and He is good. Thank you for continuing this journey of faith alongside us as we reach students in Campbell County!**

Guide me in your truth and teach me, for you are God my Savior, and my hope is in you all day long.

Psalm 25:5

Do you know a Campbell County High School or homeschool student? Encourage them to sign up for a Fall 2020 CLC for-credit elective course!

Signing up is easy! Students can talk to their CCHS counselor to request the course. Then their parent/guardian must fill out our enrollment form at CampbellCountyCLC.org/forms. Questions? Call us at 423-377-5696.

VIRTUAL EASTER EGG HUNT

Under normal circumstances, CLC representatives would have been present at Stanfield Church of God's annual Easter egg hunt. Because it wasn't able to happen this year, we hosted a Virtual Easter Egg Hunt! All day long on April 11th, our Facebook page featured hourly posts which offered opportunities to find hidden eggs, earn points, and compete to win a \$50 cash prize! The goal of this free event, organized by our executive director Ashley Claiborne, was to have some fun while social distancing and bring awareness to the CLC as well as local businesses. Thank you to the 15 egg hunters who participated and the 21 local businesses, churches, and ministries who hid eggs on their pages! Congratulations to our winner Emily Inman!

PREACHER PANCAKE BREAKFAST

On Saturday, March 14th, the CLC hosted a breakfast for pastors and church leaders to enjoy while learning about the ways we work together to reach local students. Thank you, pastors, for the ways you are ministering to our community and helping us teach students at Campbell County High School!

SPRING SEMESTER HIGHLIGHTS

Before this semester came to an early end, our class of students enjoyed meaningful memories together with our teacher Pastor Billy Smith and teaching assistant Stephanie Lloyd. As students studied the foundations of the early Christian church and its theology (as described in the books of Acts, Romans, and Ephesians), our lesson plans also emphasized the practical application of how to live a Christian life. Together as a class, we practiced living out this kind of others-focused, joy-filled life by trying various projects together: visiting with and reading to students at LaFollette Elementary School, competing in a class Valentine's Day cookie bake-off, researching the current work of missionaries around the world, and constructing the Armor of God from cardboard and duct tape! Our mission at the Christian Learning Center is "to provide biblical instruction to students as an opportunity to encourage them to embrace the Gospel of Jesus Christ, grow in the Christian faith, and apply biblical principles for living," and we have been blessed with the opportunities to have fun and learn from one another while we study the Bible on a daily basis!

GET INVOLVED

- **Spread the word to students you know! We want to boost our student enrollment next semester and reach more lives with the truth of God's Word. We need your help to encourage students to sign up for our courses! Pass this newsletter along to a CCHS student who doesn't already know about us!**
- Become a monthly donor or give a one-time donation at www.CampbellCountyCLC.org/giving or on our Facebook page.
- **When you shop on Amazon, use the link Smile.Amazon.com and select us as your charity! As you shop, a portion of your orders will benefit our ministry with no added cost to your order!**
- Volunteer to help with workdays and special events.
- Please pray! We humbly ask you to pray continually for the Christian Learning Center, our teachers, board members, and students.
