FALL 2019

**NEW SCHOOL YEAR,  
NEW OPPORTUNITIES**

## Firm Foundations Course

As of July 2019, students are able to receive high school credit for Released Time Bible Education classes. We are thrilled to be the first community in Tennessee to offer this opportunity to our students! For each of our courses they take, students will receive 0.5 credits at Campbell County High School. We are grateful for the unprecedented unanimous passage of TN Bill 1373 which allows us to offer this class for credit and that the Campbell County Board of Education has allowed Released Time Bible Education.

For the Fall 2019 semester, we have one class of students studying a curriculum called *Firm Foundations: Creation to Christ*, taught by Pastor Billy Smith. This coursework covers the basics of the Bible with a focus on the chronological history of the Old Testament patriarchs, the life of Jesus Christ, and connection between these events through the story of the Gospel. Our students engage in daily lessons through readings, class discussions, small group work, research presentations, review games, and "Reader's Theater" performances.

## What Students are saying

"One thing that I've appreciated that we've learned about was Joseph. I don't know why, but I enjoyed this story, maybe because he's gone through so much and never gave up. I appreciate how we even get to have this class because so many schools don't get to do this."

"I took this class the first semester it was available as well as now, and this class has done so much for me. I am incredibly grateful to have it available to me."

"We have learned about several stories in the Bible. But one I liked most was about Joseph because we got to act out several scenes from that story. It's been a great opportunity to be with these amazing people, and I love getting to know so much more about everything in the Bible."

"I like coming up here to hang out in this fun class. The teachers are really good. The class has taught me a lot."

## Our Teachers

**Pastor Billy Smith** is excited to teach his second semester of the *Firm Foundations* course. Billy is a pastor at Hope & Stand Church in Jacksboro. He is married to his lovely wife Shawn and is the father of six children. Billy says, "Serving the CLC and the students is a great privilege for me. It is my life's mission to learn more about and communicate better God's Word to all people. Everyday, I am able to add value into the these incredible students, and I am blessed to have them in my life. Thank you for allowing me the joy to be a part of this exciting, life-changing opportunity."

**Stephanie Lloyd** joined the Christian Learning Center in August as the teaching assistant for our classes. Stephanie recently graduated from Asbury University with a degree in English Education and loves working with teenagers to teach and encourage them. She says, "The CLC has offered me the perfect blend of utilizing my teacher training as well as my passion for teen discipleship. Getting to invest biblical teaching into these students on a daily basis is such a rare opportunity and such a joy."
